Dear Parents

Best wishes to you all for a very happy Valentines Day.

I would like to congratulate our Yr.7 students who represented our school with distinction at the launch of Caritas’ Project Compassion Campaign in the Queen St Mall on Wednesday morning. Our Yr. 7’s performed a dance, in the presence of Archbishop Mark Collieride, new BSEC Executive Director Pam Betts and a number of other dignitaries, guests and the general public. The dance was choreographed by our very talented Support Teacher- Inclusive Education, Leanne Croft. Leanne was well supported by Yr. 7 teachers Emma Ponti and Carolyn Taylor. The children participated in a range of activities, both in the mall and on the cathedral grounds, to mark the beginning of the Lenten season.

With our Yr. 7 leaders off site for the day, our Yr. 6 students stepped up to assist Fr. Jerome with the deliverance of Ash Wednesday ashes. After joining parishioners at the 9am mass, our Yr 6 students then spread across all classes of our school to lead class prayer assemblies and distribute ashes to all of our students. I was fortunate enough to join our 3B class, taught by our new staff member Eleni Demetriou, for their celebration and was very impressed by the prayerful manner in which our Yr. 6 students guided our Yr. 3’s through this important celebration. Thanks also to Assistant Principal- Religious Education, John Bates, and our Yr. 6 teachers Mark Murphy and Cameron Anderson, for supporting these celebrations.

Welcome BBQ & Morning Tea

Thanks to all involved in the organisation of last Friday night’s Welcome BBQ and also Monday’s Morning Tea. Both of these events provided a great opportunity for members of our school community to come together and get to know one another.

Parent Info Night’s

This week’s parent information evening for Prep - Yr. 7 was very well attended. I would like to thank the staff for their hard work in planning and presenting on these nights. I am also grateful to the large number of parents who found the time to attend. I trust you found the evenings informative and as mentioned in the admin session I encourage you to develop a good positive working relationship with your child’s teacher. I feel it is always best to come forward about a concern early rather than let things cause too much angst. We will always endeavour to do our best to support your needs.

The establishment of a positive partnership between home and school is a crucial factor in assisting your child’s learning and place within the school community. I have encouraged teachers to set up email distribution lists in their classes to provide a viable and reliable means of communication between home and school. If you were not able to attend the parent teacher nights I encourage you to provide your child’s teacher with a suitable email address to open communication lines.

I do ask parents to keep in mind that sending an email is not always going to guarantee teachers will be able to read your message straight away. Teachers focus across the course of each school day will be on guiding the students in there care through the range of learning experiences they have planned for the day. Most teachers will not get an opportunity to check emails until the end of the school day. I think it would be reasonable to expect that teachers be allowed up to 48 hours before they are able to respond to a message.

While opening this avenue of communication between teacher and parent I would ask all to be respectful in the manner in which email is used to communicate with your child’s teacher. I would still encourage parents to use handwritten notes to send messages that require immediate attention (eg: collecting your child for an appointment).

Where a concern exists I would encourage you to always try and make a face to face appointment with your child’s teacher so they can ensure you their undivided attention. This appointment could be made via email.

Please remember that my door is also open should you ever wish to speak with me. Again I would recommend making an appointment. Also keep in mind that most mornings I will be doing morning duty in the shed. Given that I haven’t yet managed to join in a game of handball I will always be happy to have a chat ‘on the run’ while on duty in the shed.

It is a privilege for us to care for and teach your children. I trust that we can always pursue positive relationships between home and school to best cater for each child’s needs.

(Contd. Over)
Finally a few quick reminders.

⇒ **School fees** were sent out yesterday to all families via email. This is the first time fees have been emailed. If you have not received your fees account please contact us immediately.

⇒ **Internet and Consent and Authority forms** need to be returned to school as soon as possible. Again if you have not received these documents please contact us so we can arrange for a copy to be sent home.

⇒ **Volunteer Register.** All parents who are volunteering in any capacity at the school are required to complete a form for our volunteer register. This form only needs to be completed once while your family are part of our school community. If you have not done so please refer to the volunteer information on our website (www.mtcarmelcoorparoo.qld.edu.au), then complete the volunteer form and send it to school when you can. This is an important process to assist us in ensuring student protection at school. This is the protection of your children.

⇒ All are invited to join us for **Assembly** every Monday afternoon in the hall from about 2.20pm.

⇒ Please look out for the offer to purchase **sunglasses** for your child further into the newsletter. In the interests of being sun safe, in such a hot climate, I think this is an option well worth consideration for your child.

Have a great week. Go the Reds!

**Family Contact Details**

In the next few days a form containing your current family contact details will be sent home with each child.

Please check over these details and return to school by the date required.

**DUE DATE WED 20th FEB**

If your details **have changed** please mark corrections on the page, sign and return to the school via your child’s classroom teacher.

Should your details **be the same** please mark “UNCHANGED” at the top of the form, sign where indicated and return via classroom teacher. Thank you for your attention to this very important matter.

**The Importance of Typing Skills**

At this time of year, I take the Year 2 children through a program that they can use at school to start developing their touch typing skills. Even with the increasing influence of touchpads, being about to use a keyboard is still an essential skill. Encouraging your children to practise their keyboard skills at home will mean that all of their computer based work and assignments are completed more quickly and efficiently. There are many over the counter programs available, but there is a fantastic, free resource called **Dance Mat Typing** which you can find at the following web link: [http://www.bbc.co.uk/schools/typing/](http://www.bbc.co.uk/schools/typing/). You can also access this link on the Mt Carmel Web Page (Resource Centre, Student Links, Year 2, the last link on the page).

**Happy Library Lovers Day!**

Who needs an expensive fancy restaurant and roses? Why not celebrate this special day with your favourite book! To celebrate the day, I thought I would share one of my favourite library quotes: Libraries are starting places for the adventure of learning that can go on whatever one’s vocation and location in life. Reading is an adventure like that of discovery itself. Libraries are our base camp. (James H. Billington – 13th Librarian, Library of Congress) [http://homepages.gac.edu/~mtwait/favquotes.htm](http://homepages.gac.edu/~mtwait/favquotes.htm)

Opening Mass

I’d like to thank all of the children and teachers who took on special roles within our opening mass last Friday. I believe that the mass was very well attended and I’d like to offer my congratulations to our newly commissioned Year Seven leaders who proudly stood before the school declaring their commitment to leadership. I’m sure that, with the excellent guidance of their teachers, they will serve our school community very well this year. Thankyou also to Fr.Jerome for celebrating mass for us and for being so flexible and accommodating as always.

Project Compassion Launch

The 2013 Project Compassion Appeal was officially launched in the Queen Street Mall yesterday. Our wonderful year seven leaders played a significant role in the opening by leading a liturgical dance to the song “Taking It to the Streets” which was performed by Michael Mangan, a well-known song writer and performer. In a short period of time, Leanne Croft, our learning support teacher was able to prepare our children exceptionally well to prepare a routine of a very high quality. Congratulations to everyone involved including Ms Ponti and Mrs Taylor our year seven teachers who have been very patient and supportive to ensure that the children were adequately prepared for the event. The children were also fortunate enough to attend the Ash Wednesday mass in St. Stephen’s Cathedral and visit the Mary MacKillop Chapel. At the launch we were reminded of our call during Lent to pray in order to become closer to God, to do without some of our everyday luxuries and to give of ourselves in order to serve others. Arch-bishop Coleridge inspired us through his words to strive for a more just world and to show compassion towards people of every land. He reinforced the fact that every human being has the right to the basics of living; food, fresh water, shelter, safety and education. As we give to Project Compassion this year may our hearts be filled with love for those who suffer in silence throughout our world.

Each child in the school should receive a small Project Compassion Box this week. As the children fill the boxes with loose change they can be brought into the school office at any stage during the Lenten period. In class the students will be hearing the various Project Compassion stories which describe the work that Project Compassion does to allow people to rise out of poverty, both in Australia and beyond.

Thank you to our Year Sixes.

I’d like to thank our year six students and their teachers for preparing and leading our Ash Wednesday liturgies this morning. This provided our year six children with a wonderful leadership opportunity and from all reports they led the rituals with confidence and maturity. As we begin the season of Lent the sign of the cross in ash is a reminder to live our lives like Jesus and the ash symbolises our quest for personal growth during this period. The image of lush green grass at the base of a forest after a bush-fire is a very good analogy for the children.

I hope you all enjoy the up-coming weekend!
Swimming Carnival

As we have changed the date of our swimming carnival from the last term to the first, it allows us to run it as a trial and selection for our Zone team. If your child in in years 4 to 7 and would like to be selected they must be swimming 50m races and aiming to win these races.

All students are expected to attend and participate in the swimming carnival. For those swimmers who are not strong enough to complete 25m races, activities will be arranged in the ‘learn to swim’ (small and shallow) pool so that they do not miss out.

Please check and read through the letter regarding the swimming carnival in today’s newsletter. All info is contained and there is a copy of the sheet that needs to be returned to school. Students will be given a hard copy of this reply slip as well.

We would also appreciate the assistance of approximately five parents on the day to assist with the handing out of house points. If you are willing to assist in this role please email me through the school office.

Congratulations

Congratulations to Bronte Job, Isabella Job, Eloise Rieck and Charlotte Green for gaining selection in the Lytton District Swimming Team. They will now travel to the Met East trials and fight for state selection. All eight swimmers at the trials swam extremely well with either PB’s being swum or in some cases selection missed by the narrowest of margins.

To add to her great week, Bronte Job also finished third at the state sprint titles for the 50m backstroke on the weekend. An outstanding effort.

Congratulations to Erin Joyce on her selection in the QLD OzTag team. We look forward to hearing how she gets on at nationals.

A great achievement, well done.

Swimming Carnival Letter

11th February 2013

Dear Parents,

On Friday the 1st March, Our Lady of Mt Carmel will be holding our Inter-house Swimming Carnival for Grades 3 through to 7 at Griffith University, Mt Gravatt Campus. Buses will depart school at 9am and the carnival will conclude by approximately 1.00pm. Students will arrive to school as normal and go to class when the bell rings. Students must wear their sports uniform on the day (they may wear house shirts) with their swimmers on underneath. We are happy for students to be collected directly from the pool at the completion of the carnival at approx. 12.30-45pm.

Children will have the option of competing in 50m, 25m or ‘small pool’ races. The aim of the carnival is for all students to enjoy themselves and participate in multiple events. If your child is a competent club swimmer and wishes to nominate for 50m events, then please fill out the nomination form and return it to Mr Thomson. The fastest 50m nomination times will be placed in ‘division 1’ 50m races and be considered for the age championship. All other 50m nominations will still swim the 50m, but won’t be considered for the age championship titles. Individual nominations are not required for 25metre and ‘small pool’ races.

As we expect all students to swim, we have also booked the ‘learn to swim’ pool for those who are beginning or non-swimmers. At 11.30, Mr Delaney will run some races and activities for those students which will count for points for the house championship. These activities are designed for students who cannot complete 25m.

All students require the following items for the swimming carnival:
1. Shirt in house colour (named)
2. Hat and sunscreen
3. Morning Tea and Lunch
4. Water
5. Swimmers and towel
6. Sports uniform
7. Swimming Cap

No canteen facilities will be available for children on the day so please pack a full lunch for your child. There is a coffee shop that is available for supporters use.

All students will receive a sheet to return to school. The bottom section must be returned to class teachers, and the remainder returned to Mr Thomson if nominating for 50m events or ‘small pool’ events.

Please remember, this is a compulsory day at school and attendance as well as participation is expected.

With thanks

Luke Thomson

LEARNING CENTRE CORNER:

At the beginning of the year, we as parents become very focused on setting goals for our children in the hope that they will work towards achieving their full potential and this is the true sign of a loving and nurturing parent. Yet, at the same time it is important that we keep a sense of perspective when it comes to our children’s learning. I clearly remember the time when my first child entered the schooling system. Being a teacher myself, I placed a great deal of importance on his education. Along the way, he proved to be a bright student and in my own quiet way, I wanted him to work hard, take on extracurricular tasks and extend himself in all areas. As a result, for the first ten years of school, he worked diligently to achieve good results. But when he reached his senior years, he began to show signs of burnout and it became much harder to keep him motivated. In contrast, my younger son, who has had fewer demands and pressure placed on him, is enjoying all aspects of school life and discovering his own talents. As parents, especially in the primary years, we need to encourage our children to do their best, yet at the same time, be mindful of not putting too much pressure on them to always do more and achieve more. Afterall, they are just children and when we give our children space to grow and develop, they open their own horizons and pathways to success. After many years working in education, I have come to realise that a healthy, balanced view to learning often produces the best outcomes.

SUNGLASSES AT SCHOOL

As part of our commitment to being a Sun Safe School, we are looking at purchasing school sunglasses which would be available to buy for all students at Mt Carmel.

These sunglasses would be encouraged and accepted as a part of the school uniform, but would remain optional for students.

Sunglasses will be available to purchase from the school office at a cost of $16.95 a pair. The sunglasses are black in colour, feature a space on the arm for students to write their names and come in a range of sizes from small (4-6yrs) and medium (6-8yrs) to large (8-11yrs). Most importantly, the sunglasses have an eye protection factor of EPF10 which is the highest available in Australia.

If you are interested in purchasing a pair of cancer council approved sunglasses for your child please detach the slip below and return it to the office with payment in a clearly marked envelope indicating the child’s name and size of sunglasses required.

P & F Update

First, thank you to everyone who assisted with Friday evening’s P&F Welcome BBQ. It was a lovely relaxed evening with parents catching up in the shed and children tearing about on the oval (OK, maybe not every parent was relaxed about that). My colleagues on the P&F Executive did a wonderful job of organising everything. Particular thanks to Peter Delaney and the many BBQ and clean up helpers, including John Godwin, Adam Read, Gerard Grigson, Kathryn Twaddell, Kate Farrell and Simone Parry. Thanks also to Tony Shaw for the music and the Patterson family for the ice chest.

Also thank you to the Mothers Club for running the new parent Welcome Morning Tea on Monday this week. Hopefully everyone now feels suitability welcomed!

Class coordinators

We have had many people offer to act as class coordinators this year, including some new to the role. There are still some classes without coordinators, so if you are still waver ing about whether this job might be for you…..please do give it a go. It is best to contact your class teacher if you think you might be able to help, and the P&F will then be able to provide you with some extra information.

The annual Class Coordinators breakfast will be held on Thursday 28 February in the Hall at 7.30am. All coordinators and their children are invited.

P&F Executive positions

Three members of the P&F Executive have indicated that they will not be nominating for their positions again in May, Laura Palmer (Treasurer), Simone Holmes (Assistant Treasurer) and Emma Box (Secretary) were all first elected in 2011 and by May, will have served two years. Even though they are stepping down they will all remain part of the parent community and involved in P&F initiatives, which means that they will be able to provide lots of assistance in the transition to a new committee members.

If you have been thinking about getting involved in the P&F, this is a great opportunity – particularly if you have some basic accounting/bookkeeping skills. Please feel free to contact any of the Executive if you would like to know more about what is involved.

Lost property

Please try to label everything your child brings to school. If you can find a way to clearly mark the outside of lunch bags and drink bottles, this can be very helpful in quickly reuniting these items with your child. Inside the crown is the best place to label hats, using a permanent marker.

Already there is a large build-up of lost property around the school. For new parents wondering where to find it, always check the shelves outside the Learning Centre (underneath the Hall, opposite the back entrance to the Year 1 classrooms).

2012 Crystal Growing Competition

Last year the children from 3C entered a crystal growing competition. Mrs Poulsen, with her trusty team of scientists from Griffith taught us all how to make and grow crystals. All of the children participated actively and had a fantastic time making the crystals and watching them grow. All of the children entered and some crystals grew larger than others!

THE CRYSiALS!

The following are our results from the Standard Alum Competition.

‘Crystal Makers’ – 1st Place
‘Groovy People’ – 2nd Place
‘Sunny Shiny’ – 3rd Place
‘Crazy Crystals’ – Highly Commended

A huge Thank you to Mrs Poulsen and her team for helping all of the children in 3C become amazing Crystal growers. It is an experience we will all remember!

Congratulations to all of our teams.
