Welcome Fr. Paul

On behalf of all from the Mt Carmel School community I would like to extend a warm welcome to our new parish priest, Fr. Paul Sireh. Some may remember Fr Paul who worked in the parish a number of years ago. We are very pleased to have Fr Paul join us and I’m sure Frs. Jerome, Matthew and Frank are also pleased to welcome him. We all look forward to getting to know Father Paul as he settles into the Mt Carmel community. Welcome.

Zumalai

Congratulations to our Yr. 7 leaders who did a wonderful job leading our “Zumalai Day” on Tuesday. A very different day was enjoyed by all of our students as they learnt to do without many of the things that we take for granted on a daily basis. The day ended with a very informative assembly led by our Yr. 7’s detailing just how different life is for children who attend school in a place like Zumalai. Thanks also to Yr. 7 teachers, Emma Ponti and Carolyn Taylor, who along with APRE, John Bates, helped guide the children in bringing this initiative to fruition. We now look forward to a steady flow of donations that will go directly to assist our sister parish in Zumalai.

P&F Mt Carmel Halloween Party Saturday 26 October

Preparations are well underway for the P&F’s Halloween Party in the Hall on Saturday 26 October. This is a chance to catch up with old and new Mt Carmel Friends before the year ends. Tickets are $65pp which includes entry, Delicious food from Chez Nous, a Fantastic live band- Golden Child, a photo booth, free drink vouchers (cash bar when these run out) and a number of other things to keep you entertained.

You don’t have to dress up if you don’t want to although anything goes – scary- fun-any character from anywhere- or just come as yourself!! I encourage all to get a group together and come along. RSVP Monday 21st October. Payment can be made through Flexi schools or you can send send cash or cheque to the office.

NAPLAN Reports

NAPLAN reports were sent home to all children in Years 3,5 &7 on Tuesday. Apologies for the delay. Some reports contained errors and we needed to wait for ACARA to redistribute some of the corrected reports. Congratulations to all of the children on their fine efforts.

Working Bee- Thanks to our Helpers

Thanks to all of the parents who came along as volunteers on Saturday afternoon at our final working bee for the year. Many jobs were completed in both the school and parish grounds including the installation of a long jump pit on the oval and the completed mulching of gardens.

Thanks in particular to Dom Murphy, John Bates and John McCahon who once again put in an enormous effort into organising much for the day. We now look forward to our next working bee sometime next year.

Class Lists 2014

Teachers will soon be commencing the process of allocating children to classes for next year. Teachers put much thought into the preparation of these lists and have the best interests of all at the heart of their decisions. Having spent the year with the children in their classrooms I believe the teachers are best placed to prepare these lists based on a wide range of factors and the group dynamics that they have observed. In accordance with school policy I invite any parents who wish to have input into this process, about their own child, to put their request in writing and forward to me via email (pdelaney@bne.catholic.edu.au). All correspondence will be strictly confidential. While I make no guarantees I am happy to consider written requests.

CMV Diagnosed at Mt Carmel

Please be aware that, along with the recent Measles outbreak currently being reported in the media, we have also had a reported diagnosis of CMV within the school community. Cytomegalovirus (CMV) is a common viral infection. In healthy people, it causes a mild flu-like illness that passes harmlessly within a few days. In certain high risk groups, including pregnant women and organ transplant patients, CMV infection can be dangerous. CMV can cause hearing loss and intellectual disability in unborn babies. If you have any concerns in relation to this issue I encourage you to seek medical advice.

Congratulations to Ellie Ryan

Congratulations to Ellie Ryan who was recently named the Outstanding 11Yr Old Athlete for the Met East Region this year. Ellie was presented with her trophy in recognition of this feat at assembly this week. Ellie has had an outstanding year in both track and cross country events in 2013 having recently returned from the National Titles.

CTJ Oct 21- Pupil Free Day

A reminder that this Monday 21 October will be a pupil free day state wide for all teachers to participate in Consistency of Teacher Judgement processes. School will resume on Tuesday. Go the Wallabies! Have a great week

Regards

Peter Delaney
Principal Our Lady of Mt Carmel Catholic Primary School, Coorparoo. mailto:pdelaney@bne.catholic.edu.au
From the Assistant Principal Administration

AUSTRALIAN GIRLS CHOIR OPEN DAY:

Congratulations to girls in Year 1 who recently took part in the AGC assessment workshop at school. By now you should have received your personalised assessment report either posted to your home or via your school. Girls in Prep children can pick up an information flyer about the AGC Open Day from the school office and we hope you will be able to join us. Everyone is welcome to come along to the Open Day which will give girls the opportunity to try a free class and attend an information session. Ph 07 3256 0207 for more information or visit www.aspagroup.com.au.

BOOK LISTS 2013:

We have engaged the services of a new Book Pack supplier, SOS (School and Office Supplies) and are currently finalising our list so that parents can order online for next year’s Book Packs. Stay posted and we will let you know when you can start your Book Lists ordering for next year.

Looks like it is going to be a hot and busy Term 4 but at least it’s a relatively short one. 

Tony Shaw

LEARNING CENTRE CORNER:

Much school funding, in terms of both personnel and resources, goes into the early years of education and some might wonder why. Research indicates that the early childhood years lay the foundation for all future development and in particular, learning. “Early intervention” is a term that can be used to refer to interventions for infants and young children who are known to have additional needs because of a developmental delay, learning difficulties, disability, sensory impairment (eg vision or hearing), or a specific risk or disadvantage. The Leadership team at Mt Carmel values early intervention and have put a number of measures in place to support our youngest students. All of the early years’ classrooms have strong support from School Officers; the Learning Support Teacher; the School Guidance Counsellor and parent volunteers as well as a great variety of programs; readers and software made available to cater for a variety of learning styles and individual needs. Apart from the school, teachers work closely with other professionals such as Speech Therapists, Occupational Therapists and Psychologists to support children in their early development. Since every child is unique and some children may need more help with growth and development, it is best to adopt a holistic team approach where all professionals are working together in the best interests of a student. On behalf of the staff, we would like to thank parents for the part you play in working as a team to enhance your child’s learning and overall development.

CO-CURRICULAR PHOTOGRAPHS

Group photos for band, strings, choirs and sporting teams are available for viewing in the school office.

Orders can be made by completing the Special Order Envelope (collect from the office)
Please enclose correct money and return to the school office by THURS 31st OCTOBER.
DRAMA NEWS

FIRSTLY, A BIG THANK YOU to the ladies from the Second Hand Uniform shop Simone Holmes and Anne Moran for thinking of the Drama Room once again. Some of the monies raised this year have gone towards the purchase of an Ipad for the Drama Room. It is going to be so handy to have the Ipad to record the many performances and to show the students their presentations immediately. This is a wonderful tool for our drama experience. I don't have to borrow anymore!!! THANK YOU!!!

SECONDLY, CONGRATULATIONS TO THE FOLLOW STUDENTS who received DRAMA AWARDS FOR outstanding efforts in DRAMA for TERM 3:

PREP A Ewan McCosker
PREP B Finn Totterman
PREP C Ruby Ware
1A Henry Manning
1B Daniel Phillips
1C Sarah Joyce
2A Callum McMahon
2B Scarlet Zenonos
2C Eloise Schabe
3A Molly Murphy

5A Imogen Wilson
5B Ada Lukin
6A Jasmine Kozions
6B Angeliki Samios
7 Jessica Quinn

CONCERT UPDATE

ONLY 6 WEEKS TILL OUR SCHOOL MUSICAL - "THE MAGICAL CHRISTMAS JIGSAW"
THURSDAY 28TH NOVEMBER AT 6:30 P.M.

THE CHANDLER THEATRE, SLEEMAN SPORTS COMPLEX, CHANDLER

This week costume details will be sent home. Most of the costumes are fairly easy to put together, but if you have any queries please don’t hesitate to come and see me.

HELP is needed for some simple costume making. Cutting out, gluing etc is also needed to be done. Please contact me at began@bne.catholic.edu.au if you are able to help in anyway.

Many thanks,

Bernadette Egan

Music in 2014

In preparation for the 2014 Instrumental Program at Mt Carmel, Expressions of Interest are being taken now for all instruments: Strings, Guitar, Percussion, Piano, Woodwind and Brass. If you are considering an instrument for your child, attached to the newsletter are the letters regarding the program.

Thanks

Sharon Van der Hurk, Instrumental Music Teacher

News from the Assistant Principal Religious Education

Working Bee

Through the combined efforts of hard-working parents and parishioners we had a very successful working bee last Saturday afternoon. Between the school and parish grounds a number of tasks were undertaken. The parish grounds were given a general tidy-up, the gardens on the banks of our school oval were mulched, new sand was put into the prep sand-pit and a long jump pit was created on the oval. Additionally the top-end of the school beyond the Yr4/5 Block was cleaned up. Above all else the working bee was conducted in a very organised, friendly and energetic manner. It was great to see our school and parish working so well in partnership and new friendships being developed. Many thanks to Mr Dominic Murphy, who co-ordinated the event and the large number of parents who contributed so much of their time and effort. Well done to all!

Zumalai Day

Zumalai Day was a wonderful success. It was planned as a day to live simply as a child living in Zumalai East Timor would. As a result our students weren't able to use electricity for the day which meant no fans, no lights or chilled water. Class teachers were also encouraged to avoid using text books and coloured pens and use a single sheet of paper and a pencil for the day. We even used an old fashioned bell instead of the electric one. Additionally all students were encouraged to have a very simple morning tea and a bowl of rice for lunch. Our Year Seven leaders cooked and served the rice which was so gratefully received by the children. Following lunch our year sevens led a very reflective prayer assembly. The year sevens shared video clips of life in Timor Leste and a wonderful PowerPoint which revealed some staggering statistics regarding poverty in our world. It is my hope that as a Catholic school community we can nurture in our children a sense of concern for the poor and a true appreciation of the countless gifts that we are blessed with. Thanks to everyone involved in the day particularly Emma Ponti and our Year Seven leaders.

Donations for Zumalai

In the past we have organised a Spellathon to raise much needed funds for Our Lady of Mt Carmel, Zumalai, East Timor. Each year our school raises $12,000 approximately which directly supports a range of projects for our sister school. In recent times our donations have allowed the Carmelites to build a boarding house for children who would normally walk to and from school, covering very long distances. By the time many students return from school it is nightfall. Without power in many villages the students are not able to study at night. The boarding house enables students to live at the school from Monday to Friday returning home for the weekends enhancing their ability to study effectively.

$12,000 equates to approximately $22 per child. If our students are able to forego some of their weekly treats or pocket money I’m sure we could reach this target again in 2013. Please encourage your child to actively seek donations from their friends and relatives and please ask them to tell you all about what they learnt as a result of Zumalai Day.

I will leave you with an image from Zumalai Day and some reflective questions that are worth examining on a regular basis.

Enjoy the rest of your week!

John Bates

Our Year Seven Students busily preparing the rice for Zumalai Day

Reflection

Take time this week, maybe every week, to consider all of the wonderful things in your life. What are you grateful for that you may have taken for granted?

As you eat your food, consider your good fortune to have it.

As you take a sip of water, give thanks that it is so plentiful in your life.

As you greet loved ones, appreciate the gift of their health and safety. As you turn on a light, snuggle into bed, or watch TV.....consider how fortunate you are to have these luxuries in your life.

Think about your lives and the lives of those who have none of what you enjoy. Be grateful for everything that you have and think about how you can share with others less fortunate.
P&F Update

Zumalai Day

On Tuesday it was wonderful to see our staff guiding the children to think about how different life can be in other parts of the world. This year, Zumalai Day has replaced the Spell-a-Thon as a way of raising both awareness about and funds for the Carmelite school in Zumalai, East Timor. Last year, through the combined total of Mission Day activities and the Spell-a-Thon, our school community was able to donate over $11,000 to this important project. Last year, Sr Rosemary Person spoke about the school building work, and it is incredible to see how much they are able to achieve with these funds.

Date Claimers

These might seem like they are a long way off, but mark your calendars now......more details to follow:

◊ Christmas Carols – in the School Hall Wednesday 18 December 6-7pm
◊ 2014 Welcome BBQ - Sunday 9 February (not Friday 7 February as printed on the Mt Carmel calendar)

Working Bee Thanks

The P&F would like to add our thanks to all those families who gave of their time on Saturday to help maintain the school and Parish grounds. Special thanks to Dom Murphy, John Bates, John Mc Cahon and Damian Craig for doing the heavy lifting with the organisation and co-ordination of work, equipment and materials.

Kim Broadfoot
P&F President

School Banking News

In 2014 the School Banking program will be launching a new set of exciting reward items for students to redeem their tokens for. Each reward item will continue to be valued at 10 tokens (i.e. 10 deposits) and there will be two new reward items for students to choose from each term.

With exciting new reward items on offer in 2014, please be aware that the Dollarmite moneyboxes will no longer be available next year. To avoid any child missing out on claiming their moneybox, please let your children know of this change and encourage them to redeem their moneybox this school year if they wish to receive one. In an effort to ensure your child doesn’t miss out, the rule of one money box per year has been removed. If your child is trying to collect the series of Dollarmite moneyboxes, they are encouraged to do so before the end of the school year. Please understand that they still need to redeem each moneybox for the required 10 tokens.

Changes in 2014

Due to the Commonwealth Bank implementing of a new reward tracking system, we wish to advise that tokens received this year will not be carried over to next year to claim rewards.

Each child will start at zero deposits at the beginning of the 2014 school year. Therefore your child can only use tokens this year to claim their reward but will need to claim their reward by the end of this term. There are 7 weeks left for your child to claim a reward so please keep this in mind. Any questions please contact the School Banking team on Tuesday mornings working in the School Hall.

Congratulations to Year 2C bankers for making the most amount of deposits in Term 3! The class has received some special gifts for all their great banking efforts.

School Banking Team

Final P&F Meeting for 2013:
Thursday 7 November 7.30pm in the Staffroom

PARENTING TODAY'S TEENAGER

Q & A Evening for Parents with Dr Jeff Kemp

Wed 23 October 7pm

St Joseph’s Primary School
Anglesey Street, Kangaroo Point

- Why is parenting a teenager like taking a wild roller-coaster ride?
- What's the same and what's different in parenting a teen in today's fast changing complex media driven world?
- Why do you need to 'be a parent, not a pal' to effectively parent today's teenager?
- What are the six parenting essentials?

St Joseph’s Primary School is pleased to announce that Dr Jeff Kemp has kindly offered to come speak to parents about preparing for parenting teenagers. A father of four, Dr Jeff Kemp is a highly successful educator with over 30 years experience as a primary school teacher, a secondary school teacher, a university lecturer, a presenter at National and State conferences, and guidance counsellor working with children and teenagers. In addition to his Doctorate of Education, he holds Bachelor Degrees in arts and education, as well as a Graduate Diplomas in Educational Psychology, Special Education, and Leadership Studies. He is currently the Guidance Counsellor at St Michael's College, Merrimac on Queensland’s Gold Coast. Jeff’s work has been recognised in State and Commonwealth Government awards for his outstanding contribution to youth in the community.

Jeff's extensive experience and practice in working with teenagers, in particular troubled teenagers is now available in resources for parents including his book 'Be A Parent Not A Pal', a range of programs and audio CD's including The Parenting a Teenagers Program, The Parenting a Child Program, The Homework Helper Program and The Ready for School Program. Jeff also provides an online individual support service for parents of children and teenagers.

The evening will be an interactive one so come along with your burning questions about teens and friends, mental health, body image, sexuality, managing technology use....

This evening is open to all parents so feel free to bring a friend along even if their child attends another school. All are welcome. A complimentary glass of wine on arrival, and coffee and tea also will be made available on the evening.

RSVP - Tuesday 22 October by phoning the school on 3391-5397 or by emailing pkangaroopt@bne.catholic.edu.au
