20th March 2013

Dear Parents

We are getting very close to the end of our first term for 2013 and the time just seems to have flown by. This is probably because school life is always so very busy.

I am so proud of what has been achieved by all of our students this term. This starts with our Prep students who have made such a positive start to school life and continues through all of the year levels right up to our Yr. 7 students who are excelling as our leaders of the school. Our Yr. 7 students have embraced their leadership program and are representing and leading the school with distinction. I would like to thank all of our teachers and parents for the wonderful support that has been offered to ensure such a positive start to the 2013 school year.

Walk for Water

Last Friday’s “Walk for Water” was a great success and we were very lucky to be joined by the Bishop from Mozambique and our local Federal member Mr Kevin Rudd. The children were very excited to welcome these visitors who joined the walk with the children enthusiastically. The day was much enjoyed by the children and I would like to congratulate them all on the manner in which they participated. I would like to thank our APRE, John Bates, for all of the time and effort he invested to ensure the success of this very worthwhile event.

Future Enrolments at Mt Carmel- Letter from Principal

Two weeks ago I sent a letter home to our Yr. 3 & 4 families in which I shared some of my thoughts on why I would like families to consider keeping their children at Mt Carmel through to the end of their primary years. I received a very positive response to this letter and a number of families from other year levels requested a copy. At last night’s school board meeting it was suggested the letter be forwarded to all families. Hence attached to this week’s newsletter email you will find a copy of this letter for you to peruse.

As I have mentioned previously, it is one of my goals as principal at Our Lady of Mt Carmel to try and re-establish a gender balance across our Yr. 5-7 upper primary classes. I am hopeful that by 2015, when Yr. 7 makes the move to secondary school, that we can establish a trend towards a healthier gender balance in the upper years. By reaching this balance our students will be able to further benefit from the great opportunities on offer at Mt Carmel.

I am more than happy to meet with any family who would like to discuss any of the issues raised in this letter. Mt Carmel is a great school providing an excellent range of opportunities to our students. I believe Mt Carmel is an excellent choice for your child’s education from Prep right through to the end of their primary years of schooling.

Parent Teacher Interviews

I would like to thank all of our teachers and parents for the very positive approach I have observed to our first round of Parent Teacher interviews that conclude tonight. I believe that effective communication between home and school is vital to ensure we are best catering for our students. Participation levels across all year levels was very high which is a great indication teachers are receiving from home. I trust that all found their Parent Teacher interview a positive and worthwhile experience. Thanks again to our teachers for the professional manner in which they prepared for the interviews. I’m sure they are all now a little weary following three very long days at school.

Gala Sport

Students from Yr 4-7 will tomorrow participate in a Gala Sports day with a number of local Catholic schools. Students had a choice between AFL and Korfball (modified netball) and I’m sure a great day will be enjoyed by all. This Gala day complements the Interhouse Sports Program that runs on a Friday afternoon for our Yr. 3-7 students. Thanks again to Luke Thomson, our PE teacher, for organising these opportunities for our students.

**Our Lady of Mt Carmel Dance – Friday 22 March 7-9pm**

The Yr. 5,6 &7 student of Our Lady of Mt Carmel, Coorparoo, have been invited to join a number of other local Catholic schools and Colleges at our invitational dance this Friday, 22nd March in the school hall (Norfolk St, Coorparoo). The dance from 7-9pm is fully supervised by staff and parents of Mt Carmel. Invites have been delivered to the children and they are required to present them at the door. Alternately students may bring this newsletter item as their invitation.

Admission to the dance costs $10 and includes a drink and packet of chips.

Parents are asked to provide contact details for their child should it be necessary on the night. These details can be filled in and brought along on the night.

#### Holy Week

With Term 1 concluding next Thursday, this will be our last newsletter for the term. I would like to take this opportunity to wish all families a safe, happy and holy Easter. A number of things have been put in place next week for holy week of which John Bates has provided details further into the newsletter. I would like to welcome all to join us at our assembly in the hall on Monday afternoon to celebrate the events of Holy Week. This assembly will be led by our Yr. 5B class and **will commence at the earlier time of 2.00pm**.

Enjoy the Easter break and I look forward to seeing you all again for the start of Term 2.

Regards

Mr Kevin Rudd, Bishop Lucio, Mr Joseph Foley, Mrs Andree Rice and the members of our Year 7 Social Justice Committee gather to Walk for Water.

Scarlett Zenonos sent in this lovely prayer. I think it’s worth sharing;

Prayer for Clean Water for Poor Children

Generous God,
Like the spray from a waterfall,
You surround us with your loving life.
We remember the children of our world, who do not have clean drinking water,
And so are in danger of sickness and death.
Move the hearts of people in rich countries like ours so that governments will support the clean-up of water in poor countries.
Like Mary MacKillop we too want poor children to have a fair deal
God of life, hear us.

Amen

Walk for Water Day

Our Walk for Water Day was a wonderful success on Friday. I’d like to thank the large group of parents who supported the day by walking, helping out or simply being present on the day. The children, in quite hot conditions walked a number of kilometres with their buckets of water. We had a few spillages, but on the whole most children were careful to ensure that their container of water wasn’t wasted throughout the journey. Our special visitors to the school were very impressed by the efforts of the children and the spirit of our community. I’d like to commend all of our year seven leaders, particularly the members of the Social Justice Committee for demonstrating excellent Christian hospitality, organisation and confidence in welcoming and hosting our guests including Mr Rudd, Bishop Lucio of Mozambique as well as a number of representatives from Caritas Australia. Our year sevens led a question and answer session with Mr Rudd, conducting themselves with poise and confidence. Many thanks to Kelly Collins and her band of B.B.Q helpers for preparing the sausage sizzle. Our incredible group of B.B.Q assistants are always so reliable and enthusiastic. Thanks Mr Eberhardt, Mr Craig and Mr Matthews for your constant generosity. Finally can I thanks Mrs Liddy one of our year seven coordinators along with other year seven mums for preparing and setting up morning tea for our year sevens and special guests. The combined efforts of our students, teachers and parents are so greatly appreciated as they contribute to the community spirit that exists here. A youtube clip was put together on the day. Visit youtube and search for Kevin Rudd at Mt Carmel School.

All donations for Walk for Water as well as the Project Compassion boxes can be sent in to the office before the end of term.

Family Mass

Our Family Mass on Sunday was a fitting way to complete another wonderful weekend. It was lovely to see so many new families at the mass and to hear the voices of so many children singing along to the music. To all that were involved in the mass, from singing to preparing the B.B.Q can I express my sincere gratitude. A date for our next Family Mass will be announced in the next newsletter. If you enjoyed last Sunday’s mass please encourage your friends and family to join us next term.

Holy Week

We will celebrate the events of Holy Week next Monday the 25th March in the school hall at 2.00pm. 5B will lead our liturgy. I’d like to acknowledge the efforts of Mrs Christa Cloete, our dedicated music teacher, who has put in a lot of time and effort to prepare the music for this special liturgy.

You are all welcome to visit the hall next week to view our children’s Holy week art. Once again, a considerable amount of time and effort has gone into this. Thanks to all teachers and students.

I hope you all have a happy, safe and holy Easter break. May the mighty Brisbane Broncos continue to go from strength to strength in the up-coming weeks.

All the best!

John Bates

5th Week of Lent  (School week beginning 18th March)

Project Compassion, Week 5, brings you the story of Bernard.

Our partners at Red Dust Healing helped Bernard overcome his drug and alcohol addictions and grief at losing his mother. He has also reconnected with his Aboriginal roots, and is now a Court Support Officer for the Aboriginal and Torres Strait Islander Legal Service.

Your donation to Project Compassion helps Bernard, and other Indigenous people in Australia, overcome physical, emotional and spiritual challenges to regain direction and purpose in their lives.

Sport News

Last Thursday the Mt Carmel swimming team travelled to Chandler to participate in the Zone Championships. We had our backs to the wall with two of our older male swimmers having to withdraw due to injury and other commitments which left us unable to field a swimmer in half of the boys events so a top five finish was our aim (albeit a tough one). Having now been to three of these carnivals, I have never seen a team do as well as this one from an overall team point of view. By my calculations almost every swimmer collected a place ribbon at some point, a feat that has not been achieved before. We placed in every relay that we fielded a team in, and won more individual races than we had in the past.

Nicholas Green and Bronte Job dominated their age divisions with Bronte Job breaking two longstanding records in the process, and Max Craig also claimed two individual titles. While these swimmers dominated their divisions with three individual wins, every swimmer contributed, often surprising themselves with their performances. Overall we finished 4th, missing a place by a mere 5 points, and we were 4th in the percentage trophy as well. It was a great day overall and to come so close to a place with the setbacks that we had was a top effort. Well done to all swimmers who swam on the day and look out as we aim to get on the podium.

Luke Thomson

Thank you to the P&F and all the parents who provided a delicious end of term morning for the staff at Mt Carmel on Wednesday morning.

When we teach our students the skill of editing and proofreading, we are increasing their chance of success as they head into secondary education and even beyond into the workforce. Being able to proofread one’s work can make the difference between an average piece of written work and a quality paper. It can also mean the difference between an “okay” grade and a “high achievement”.

Editing is the task of reviewing your work with the view in mind of ensuring that it makes sense and the intended message is being conveyed to the reader. Proofreading is considered to be the last step before submitting any form of writing for assessment or publication and focuses on finding writing errors which may include misspellings; mistaken words; incorrect punctuation; grammatical and typographical errors.

It may be worthwhile remembering that for most of us, proofreading is not an innate ability but instead is a skill which is acquired through frequent practice and usage. Often, when children have written their draft piece of writing, they are less inclined to want to return to their work and edit it. Instead, they prefer to pass on their work to a teacher or parent to complete the final proofreading stage. As parents, I recommend that when your child presents you with work to edit /proofread, that you should first ask them to do it independently whereby they can circle words that they think could be misspelt; read it aloud to see if they think it flows well and makes sense and circle identified punctuation/grammatical errors. When they take an active role in the process, they will develop an ability to proofread their own work. Proofreading is a skill which is enhanced through continual practise. I have attached some websites where your child may like to explore. The passages are aimed at different levels and most demand a short amount of time yet help to teach the very important skill of proofreading.

**P&F Update**

**Tuckshop ordering**

There were some problems with the FlexiSchools site over the past two Fridays so that people were unable to log in and place orders. FlexiSchools have contacted us to assure us that the problem has been rectified, however it occurred due to the volume of orders being placed at the same time by so many schools. Although we expect that the site should be able to handle peak time traffic, it might be an idea to place Friday orders on Thursday nights or even (if you are that organised) recurring orders each week.

Thanks to Kelly and the team on those days for their embodiment of the “Keep Calm and Carry On” spirit.

Starting next term, Tuckshop will be three days/week – Wednesdays, Thursdays and Fridays.

If you are available to help with Tuckshop, either on a regular roster or just ad hoc, please contact Kelly Collins – more helpers are needed, especially on Thursdays.

**Parent Participation Forms**

Thanks to all those parents who have completed and returned parent participation forms. We are currently collating the information and if you have offered to be involved with an initiative, someone from the P&F will make contact with you soon.

**Choir Risers**

The P&F is delighted to have been able to fund the purchase of choir risers for Mt Carmel. These portable steps will allow all children in our choir to be better seen and heard by the audience – something I am sure that all our parents will enjoy. This has been on our wish list for a while and we were fortunate to have been able to secure a second-hand set from Loreto College.

**P&F meeting this Thursday**

The P&F meeting for March is this Thursday, 21 March at 7.30pm in the staffroom. Apologies to those who were confused about the date after clicking on the agenda in last week’s newsletter. Minutes of the February meeting and agenda for Thursday are attached with the newsletter.

RESOURCE CENTRE NEWS

**Last week of Library Borrowing**

Term One has certainly flown by. This is the last week of library borrowing. All books are due back next week and there are no classes or library lunchtimes, as Mrs Allan and I get resources ready for next term’s classes.

Please remind your child to return their library books before the end of term. There is no holiday borrowing from the school library, but a holiday trip to the Brisbane City Council Library service would be a great way to feed that reading bug!

**Term Two Computer Club – Years 5-7**

Term Two computer club is for students in Years 5, 6 and 7. All interested students have been given enrolment forms. If the maximum of 25 students is reached, then students who miss out will be put on the waiting list for their next available computer club (in early 2014). However students in years 5, 6 and 7 are also welcome as “helpers” in the terms that I conduct computer club with the younger students.

**A Big Term Two Awaits**

Next term will be a huge one for the promotion of reading. Our annual Book Fair and National Simultaneous Storytime takes place in May. We will also use our Book Fair to commence our reading incentive program that runs from Book Fair week until Book Week in Term Three. I will put some important date claimers in the newsletter early in Term 2, so watch this space.

**Outdoor Space and Mascot competition**

These will be announced in the last week of school. As this is the last newsletter of the term, we will have a full write up in the first newsletter of the new term.

---

**Junior Choir Starts term 2!**

At the start of term 2 all children in years 1, 2, and 3 will be invited to join the Our Lady of Mount Carmel Junior Choir. This will be a non-audition choir, allowing as many children as are interested the opportunity to have an experience of singing in a choir.

Rehearsals would run during a lunchtime (yet to be advised) in the Hall commencing in Week Two. Mrs Esbensen would be leading the choir supported by a wonderful parent (Mrs Paula Roberts) to accompany the choir on piano.

We hope the choir would perform a few times during the second half of the year such as at the Spring Concert and Cultural Assemblies. The idea of the choir is to have some fun, learn some songs and have an experience of being in a choir.

Stay tuned for more information early next term – and come join us for a sing!

**WOOLWORTHS EARN AND LEARN 2013**

I received the great news today that this scheme is returning this year from **Monday the 8th of April** (the middle of the school holidays). We will definitely be participating again, so please start collecting those stickers as soon as you see them in the shops.

Completed sticker sheets can be returned to the school office or directly to the Resource Centre.
