Mission

Our mission is to be an inclusive and compassionate community, where children are educated in faith, life and learning. By prayer and action, we follow Christ.

Vision

As a community of faith, Our Lady of Mt Carmel School inspires students to be lifelong, independent learners so that they may take their place as purposeful people with the courage, wisdom and will to shape and enrich our world.

Values: Respect, Compassion, Service, Love

It is the responsibility of parents to ensure their children come dressed to school every day in the full correct uniform.

A note from a child's parent/guardian, giving a reason, must be provided to the class teacher or an administration team member if for any reason a child is not wearing the correct uniform.
